

Annual NH Summit on Systemic Inclusion: From Compliance to Impact

Sponsorship Opportunities

October 20-23, 2020

Mobilizing for Economic Vitality and Opportunity

Day One: Systemic Inclusion

Developing a statewide network of community leadership teams committed to:

- Identifying key barriers to financial, economic, educational and digital inclusion
- Learning about resources to address each dimension of systemic inclusion
- Enhancing collaboration among philanthropic initiatives in NH to address poverty
- Spurring joint investments by educational system, banking and philanthropic leaders to address poverty
- Fully integrating voice and agency for low-income youths and their families (“nothing about us without us”)

Day Two: Local Systemic Inclusion Initiatives

Expanding NH’s statewide network of community leadership teams that are:

- Identifying local barriers to digital equity (broadband, devices, tech support, etc.)
- Sharing precedents set since the last annual NH summit on Community Reinvestment Act (CRA) support
- Assisting more communities to remove barriers to economic & educational opportunity
- Fostering full financial inclusion
- Strengthening inclusive pathways into living wage careers in NH

Mobilizing for Economic Vitality and Opportunity

Day Three: Action Planning

- Keynote by Jason Keller, national expert on CRA credit for economic inclusion, Chicago Federal Reserve
- Launching BankOn New Hampshire, to provide every unbanked NH family with free checking, financial literacy and other key financial inclusion resources
- Updating participants on initiative to spur joint bank CRA, philanthropic, municipal investment for affordable broadband
- Engaging in intensive action planning on:
 - Broadband investment
 - Scaling BankOn for all unbanked families in NH
 - Scaling VISTA programs providing systemic inclusion resources for youths in LMI communities statewide
- Highlighting the crucial role of librarians and libraries in systemic inclusion

Day Four: Scaling and Disseminated Best CRA Practices

- Keynote on CRA credit for systemic inclusion, by Barry Wides at US Treasury, overseeing CRA compliance for large banks holding \$12 trillion in bank assets
- Remarks by Krista Shonk, vice president, regulatory compliance policy, American Bankers Association, on CRA and partnering with banks on systemic inclusion
- Closing panel on harvesting innovative and impactful CRA-funded investments for systemic inclusion

Who will attend?

- Growing list of **summit partners** including Economic Vitality New Hampshire, NH Bankers Association, NH School Administrators Association, NH Manufacturing Extension Partnership, and NHBEA's Division of Economic Development
- **State and local leaders** in banking, education, philanthropy, affordable housing, financial literacy, economic inclusion and digital equity resources (broadband providers, hardware companies, etc.).
- Participants can attend one, two, three or all four days. 100 to 250 participating state and local leaders expected each day.
- Focus: Sharing and creating strategies to remove the digital divide and foster greater coordination for economic inclusion in New Hampshire's [low- and moderate-income \(LMI\) communities](#).
- Day Four **Keynote** by [U.S. Treasury Deputy Comptroller Barry Wides](#) on Federal policy for banks utilizing Community Reinvestment Act funds for digital equity investments in support of economic inclusion.
- **Daily Resource Showcase**: highlighting key resources for systemic inclusion,
- **Exceptional networking opportunities** with state, local and national leaders
